Archives Leadership Institute Workshop: **Sharing Skills in the Profession**

This workshop will introduce areas of leadership that are essential for career and organizational success. Participants will learn more about the Archives Leadership Institute at Purdue Polytechnic Institute funded by the National Archives National Historical Publications & Records Commission and will provide empowerment tools for archives professionals. Using virtual reality simulations, participants will have the opportunities to learn about areas of how to be an archives leader in the areas of Advocacy, Technology, Strategic Planning, and Intercultural Competency.

Thursday October 24th Sessions will be at Appalachian Craft Center -
Appalachian Craft Center 1560 Craft Center Dr. Smithville, TN 37166

Topics are:

“The Commercial Appeal Tells the Whole Story”: The Challenges in Acquiring the Archive of Memphis’ Morning Newspaper

Presenters: Gerald Chaudron, Brigitte Billeaudeau – University of Memphis Libraries

We’re Too Busy with the Old to Handle the New: Using State Laws and Local Resources to Digitize and Microfilm Records In-House
